GRAND PRIZE winners are Alex and Silvia A and their family, Kevin, Gladys, Leo, Max and Artie! Presenting the prize are Jim and Nery Colvin.

BTW, Jim not only donated the Grand Prize from Botanica, he also served as EFNA co-chair for two years to revive our East Front Neighbor-hood Association. Thank you, Jim!

Here's a warm fuzzy story of cooperation in our neighborhood. In December Jean M saw on NextDoor.org that a cat in our neighborhood was missing. When she heard a persistent meow, she saw the frightened cat way up in a nearby tree. Another neighbor brought over his ladder, climbed high and rescued the cat. The crowd that had gathered, cheered!
